

HOW TO REGISTER FOR THE 2025 TOYOTA AFL GRAND FINAL

- To register for a Grand Final ticket you will need your membership barcode number and any barcode number of member(s) you wish to attend with.
- Members who wish to attend together must register in a group providing all membership barcode numbers in one transaction, using one credit card.
- A limit of eight (8) barcodes per transaction applies. Each member barcode will be charged a \$6.00 non-refundable fee at time of registration to cover administration costs.
- Members will be required to register for Grand Final tickets via the Ticketek website (by logging onto *ticketek.com.au*).
- Please ensure you have a My Ticketek Account before registering. If you don't already have an account, we recommend logging onto *ticketek.com.au* and selecting 'My Ticketek' to create an account at least 24 hours prior to registration.
- To retain priority, members must select the correct priority group, relevant to the priority that their membership entitles them to register for. It is the responsibility of the member to ensure the correct Priority Group is selected when completing registration.
- Members in different priority groups who wish to attend together must register under the lower priority group. For example, a Priority 1 Member who wishes to attend with Priority 2 Members must register with them in Priority 2 and will be processed with them as part of Priority 2 (forgoing Priority 1 access). Please be aware that registering in a lower priority group may reduce your chance of securing a ticket.
